memórias do subsolo é um pequeno romance publicado em 1864 considerada uma obra precursora do existencialismo e da psicanálise traz na primeira parte o monólogo de um homem amargurado e amargo um homem subterrâneo sem nome ou relações sociais um empregado aposentado em cuja própria existência não vê nenhum sentido e que se dirige diretamente ao leitor tenta envolvê-lo convencê-lo e comovê-lo com hipóteses sobre si mesmo e sua possível redenção talvez via a ação nem que seja fazer o mal para afinal concluir que o melhor é não fazer nada na segunda parte numa espécie de fluxo de consciência técnica narrativa que seria mais tarde levada ao limite por Joyce surgem as duras lembranças de situações e discursos que numa sociedade hierarquizada submetem e emparedam os humilhados e ofendidos todo homem tem algumas lembranças que ele não conta a todo mundo mas apenas a seus amigos ele tem outras lembranças que ele não revelaria nem mesmo para seus amigos mas apenas para ele mesmo e faz isso em segredo mas ainda há outras lembranças em que o homem tem medo de contar até a ele mesmo e todo homem decente tem um considerável número dessas coisas guardadas bem no fundo alguém até poderia dizer que quanto mais decente é o homem maior o número dessas coisas em sua mente

notes from the underground is recounted from the perspective of an unnamed narrator who describes himself as sick spiteful and unattractive his thoughts and his moods veer unpredictably as he reflects on the folly of idealism and the reality of human squalor and degradation the psychological power of the book is deeply rooted in the conflicts and contradictions that afflict the narrator many of which seem to have afflicted dostoevsky himself once attracted to idealistic and utopian notions he subsequently found himself repelled by them a passionate advocate of freedom he had little confidence that humans could use freedom for good the narrator of notes from the underground is not a unified self but a self contradictory character like his author his bewildering complexity and relentless self analysis make him one of the most memorable and thought provoking protagonists of modern literature this new translation of notes from the underground renders dostoevsky's famous work in readable and idiomatic contemporary english as well as the full text of the work itself and an informative introduction this edition provides background materials that offer personal and intellectual context for the work these materials also newly translated include writings from some of the thinkers against whom dostoevsky positioned himself excerpts from dostoevsky's personal letters and his earlier published works and a substantial selection of relevant illustrations and photographs

a volume in the critical studies in russian studies series

that sense of the meaninglessness of existence that runs through much of twentieth century writing from Conrad and Kafka to Beckett and beyond starts in

dostoyevsky's work malcolm bradbury alienated from society and paralysed by a sense of his own insignificance the anonymous narrator of dostoyevsky's notes from underground tells the story of his tortured life with bitter irony he describes his refusal to become a worker in the anthill and his gradual withdrawal from society the seemingly ordinary world of st petersburg takes on a nightmarish quality in the double when a government clerk encounters a man who looks exactly like him his double perhaps or possibly the darker side of his own personality like notes from underground this is a masterly tragicomic study of human consciousness translated by ronald wilks with an introduction by robert louis jackson

elsie levy was born in the jewish east end of london came to sydney with her family when she was 14 and joined the communist party of australia when she was a young woman in this book her son explores her diasporic jewish identity both english and australian and in the process journeys into jewish cultural histories we meet important cultural figures such as leonard woolf freud schnitzler veza canetti and ida rubinstein this journey leads also to english anti semitism including shockingly bloomsbury in turning to communism and marrying out elsie levy became one of history's undutiful daughters

As recognized, adventure as without difficulty as experience more or less lesson, amusement, as capably as promise can be gotten by just checking out a book **Notas Do Subterrneo** next it is not directly done, you could take even more concerning this life, approximately the world.
