are women able to achieve anything they set their minds to in how to suppress women s writing
award winning novelist and scholar joanna russ lays bare the subtle and not so

subtle strategies that society uses to ignore condemn or belittle women who produce literature as relevant today as when it was first published in 1983 this book has motivated generations of readers with its powerful feminist critique what is it going to take to break apart these rigidities russ s book is a formidable attempt it is angry without being self righteous it is thorough without being exhausting and it is serious without being devoid of a sense of humor but it was published over thirty years ago in 1983 and there s not an enormous difference between the world she describes and the world we inhabit jessa crispin from the foreword a book of the most profound and original clarity like all clear sighted people who look and see what has been much mystified and much lied about russ is quite excitingly subversive the study of literature should never be the same again marge piercy joanna russ is a brilliant writer a writer of real moral passion and high wit adrienne rich

a provocative survey of the forces that work against women who dare to write

this groundbreaking book challenges the medicalized approach to women s experiences including menstruation pregnancy and menopause and suggests that there are better ways for women to cope with real issues they may face before any woman diets douches botoxes reduces reconstructs or fills a prescription for antidepressants statins hormones menstrual suppressants or diet pills she should read this book contesting common medical practice the book addresses the many aspects of women s lives that have been targeted as deficient in order to support the billion dollar profits of the medical pharmacological industry and suggests alternatives to these remedies the contributors psychologists sociologists and health experts are also gender experts and feminist scholars who recognize the ways in which gender is an important aspect of the human experience in this eye opening work they challenge the marketing and science that increasingly render women s bodies and experiences as a series of symptoms diseases and dysfunctions that require treatment by medical professionals who prescribe pharmaceutical and surgical interventions each article in the book addresses the marketing of a specific condition that has been constructed in a way that convinces a woman that her body is inadequate or her experience and behavior are not good enough among the topics addressed are menstruation menopause pregnancy post partum adjustment sexual desire weight body dissatisfaction moodiness depression grief and anxiety

uganda has attracted much attention and political visibility for its significant economic recovery after a catastrophic decline in her groundbreaking book aili mari tripp provides extensive data and analysis of patterns of political behavior and institutions by focusing on the unique success of indigenous women s organizations tripp explores why the women s movement grew so dramatically in such a short time after the national resistant movement took over in 1986 unlike many african countries where organizations and institutions are controlled by a ruling party or regime the ugandan women s movement gained its momentum by remaining autonomous

this book is a collection of previously unpublished essays written for undergraduates by experienced teachers of the psychology of women course the essays are referred to as lectures because they are written in an informal style as if the author teacher were speaking directly to the students the lectures cover key topics within psychology of women course and the general women s studies crriculum

caribbean and the middle east

designed to encourage critical thinking about history themajor problemsseries introduces students to both primary sources and analytical essays on important topics in u s history major problems in american women s historyis the leading reader for courses on the history of american women covering the subject s entire chronological span while attentive to the roles of women and the details of women s lives the authors are especially concerned with issues of historical interpretation and historiography the fourth edition features greater coverage of the experiences of women in the midwest and the west immigrant women and more voices of women of color key pedagogical elements of themajor problemsformat have been retained 14 to 15 chapters per volume chapter introductions headnotes and suggested readings new in chapter 1 an exclusive essay by kate haulman examines the evolution of the field of women s history and the state of women s history today new chapter 2 now focuses on native american women while a new chapter 3 covers witches and their accusers in new england and the salem witch trials new chapter 6 draws on recent scholarship on the roles of ordinary and elite women in the numerous reform movements of the early republic revised chapter 7 rethinks and refocuses the text s coverage of women s roles in slavery and the civil war and more directly addresses the lives of african american women during and after slavery new post 1960 coverage in chapters 15 16 has been thoroughly revised to highlight the women s movement women s health recent immigration and economic changes affecting women
